I'll be working on this today (with the cooperation of a few chemists) and should have it to you tomorrow. This is going to be very informative and it will give you a good scope of the requests...there are quite a few.

Hello,

Can you each provide a spreadsheet with the following

A linelisting of cases requesting testimony since the m\_d decision, date sample was completed, who was called to testify, where, how long was the chemist out of lab, testimony time. Please include pending requests.

Sharon, are you able to access documents on our shared server?

Thx julie
